— EXPERIENCE

Regrip India — Brand Transformation Lead

Sep 2025 – Present

- Drive advertising and commercial campaign design across brand and product communication.
- Develop founder-focused storytelling and high-impact brand narratives.
- Create influencer and TED Talk-style video content for digital audiences.
- Lead social media and marketing production across multiple creative formats.
- Coordinate celebrity-led creative requirements, including Suniel Shetty.

Impact: Shaped a modern, emotionally connected brand presence across all marketing touchpoints.

BIEDX — Media & Visual Education Specialist

Singapore EdTech

- Build event documentation and visual storytelling assets for educational communication.
- Design understanding-friendly course content and visual learning structures.
- Structure vision-oriented content for digital education and marketing initiatives.
- Support media production and marketing communication through motion and visual design.

Impact: Enhanced learning communication through structured visual storytelling.

Mittsure — Brand Identity Designer

Publishing & Education

- Design international and national book covers across educational and publishing categories.
- Create magazine layouts and editorial design systems.
- Develop educational product visuals and supporting marketing assets.
- Contribute to premium brand identity upgrades and visual consistency.

Impact: Elevated visual presence through premium, modern design systems.
